9 EDUCATIONAL PROGRAMS

BOARDING PROGRAMS

20 Month Boarding Program

Youths aged from 16-29 go through 20 months of holistic education training in employment and life skills. Students study subjects such as; Language, IT, Character, Leadership, Teaching, Management, Accounting etc. As part of their practical training, students get the opportunity to become trainee teacher and carry out other responsibilities.

2nd Home Program

Our 2nd home program provides a solution to many Cambodians who lack access to schools by providing boarding facilities at our centers where they can go to a nearby public school while at the same time, attending our educational programs.

3 Month Vacation Program

The 3-Month Vacation program is offered to students of any age who would like to study during the public school vacation period. The program is similar to the first 2 semesters of our 20-month boarding program.

NON-BOARDING PROGRAMS

Subsidized Daily Classes

Subsidized daily classes are provided in our province centers and our city center. There we provide quality English, IT and Motivation. The courses are offered to school-going youths, university students and company employees .

Free Children Daily Classes

Children learn the English language, creativity, compassion and moral values in a fun way. Besides that, our classes are focused in developing a strong foundation in the child's character and in nurturing a child's potential.

Partner Program Daily Classes

Educational programs (mainly English) is provided to various primary and/or secondary schools, pagodas, hospitals, prisons or other places. Classes are given for free and students enjoy the extra support they are getting from our programs.

TRANSFER OF SKILLS PROGRAMS

Good Citizen Program

This program is the first building stepping stone to become a well-experienced teacher, manager and leader in the field of social service and community development. Students take on a range of responsibilities from being teachers to being in charge of the school operations, the school kitchen, school logistics and more.

Bring Back Home Program

Volunteers get a 2 year placement in one of our overseas operations; Laos or Timor-Leste. After getting a lot of experience and having developed many skills, the volunteers return to Cambodia and transfer their gained knowledge and skills to Cambodian youths for another 6 months.

Leadership Hand-over Program

During this program, volunteers will run a province center under supervision of the management of AHHA. Once they have developed all the necessary skills, we will transfer the ownership of the center to the managers so that they can continue to run the center independently.
